MEMORANDUM FOR: DCI

SUBJECT: NIO/SP to Brief President on Soviet ABM

Larry Gershwin informed me he has been asked by the NSC to brief Reagan on Soviet ABM programs this Friday. (Larry mentioned the possibility of it being slipped to next Tuesday.) This briefing is intended to prep Reagan for an upcoming NSC on US strategic defense. Do you wish to attend Larry's briefing of the President? Would you like to talk with Larry before the briefing?

You may want to mention this to McFarlane this evening.
